Terms & Conditions

Customers without established credit must provide a valid form of payment at the time an order is placed. Payments are processed within 5 business days of image delivery. Customers with established credit are invoiced Net 15 from the image delivery date. Deposits may be required on orders exceeding \$3,000.

For trial shoots, payments are only processed if the customer is 100% satisfied with the result. Rejected images are not charged, but may not be used.

Toggle! makes every effort to create images as directed, however incomplete or inaccurate instructions may result in a re-shooting charge.

All images are delivered via Toggle Image & Data Exchange, our online image management system. CD's or physical copies cannot be provided.

Upon image delivery, a provisional license for unlimited image use is granted. Upon full payment the image copyright is assigned to the customer. Failure to make timely payments may result in the revocation of usage rights.
